

Cards, Camaraderie and Coffee

Hello all! I'd like to take this opportunity to introduce you to something new I am introducing into the local area. It is a biweekly time of fun and friendship - aimed at bringing our community together.

Kaz Mehdi and his Mum, Naj, have done a wonderful job in readying **Élémentaire Café** for its next phase - which is as becoming the 'community hub' which Kaz envisions. This is the beginning!

On Wednesdays and Sundays from 12pm-2pm we will be welcoming anyone and everyone to join us for a fun afternoon of cards and friendship. The food and beverage offerings are spectacular - with sandwiches, an array of delectable sweets and great coffees/teas.

So please join us! The format our cards games will take are two person teams. It is really fun and even people who have never played Rummy before can take it up quickly. **Élémentaire Café** is located at 6565 Somerled Ave., between Cavendish and Walkley.

If you need additional information, please go to my website: NDGProject.com and leave me a message - or contact me via Facebook.

Looking forward to seeing you at the Café one of these days soon!

All my best,
