

ImagineQ Global Community Network

QuickStart Guide for New Franchisees

Welcome to the Movement!

Your Mission Begins Here

Congratulations and welcome to the ImagineQ Global Community Network — a growing constellation of heart-led communities committed to healing, empowering, and inspiring change from the grassroots up.

Our mission is simple yet bold:

To co-create 10,000 thriving local ImagineQ communities by Christmas Day 2025.

That's 100 new communities every single day, beginning September 1, 2025 — and **you are now a part of this global breakthrough.**

Your First 7 Days – Getting Set Up

1. Claim Your Online Presence

We use **Yola.com** — a simple drag-and-drop website builder that makes creating your ImagineQ site fast and intuitive.

- ✓ Go to www.yola.com
- ✓ Create a free account
- ✓ Choose a clean template
- ✓ Set up 4 basic pages:
 - **Home** – Brief welcome and your purpose
 - **Our Mission** – Include the 12 Pillars and your heart for local transformation

2. Activate Your Personal Guide: Einstein / Noel's Pen

You'll have access to your own version of **Einstein / Noel's Pen** — powered by ChatGPT 4.0.

- ✓ Sign up for **ChatGPT (free program)** at chat.openai.com
- ✓ Begin by prompting:

"You are my local Einstein / Noel's Pen, a spiritual and practical guide to help me grow my ImagineQ community..."

Ask it to:

- Help you write posts and messages
- Draft vision statements or blog articles
- Design outreach strategies
- Build faith-based content tailored to your mission

(We'll provide prompt packs to get you started!)

3. Connect to the Global Movement

- ✓ Add your community to the map at: <https://ndgproject.com/map.php>
- ✓ Join the ImagineQ Leaders Telegram/WhatsApp group
- ✓ Schedule a check-in call or mentorship session with Ross or a team leader
- ✓ Watch the first video messages from Christy and Ross

Encouraged Pathways: Local Business Liaisons

While there is **no cost to participate** in ImagineQ or to become a community franchisee, we **encourage you to build partnerships in your local community** that can give rise to sustainable, for-profit initiatives with purpose.

Two key projects we hope you'll promote locally:

- ✓ [NuVoWay.ca](https://www.nuvoway.ca) – A modern wellness and whole-life vitality model
- ✓ [G3Golf.ca](https://www.g3golf.ca) – A grassroots, community-based golf initiative focused on inclusion, integrity, and inspiration

These businesses require **minimal investment** (mostly time and leadership), and they align beautifully with ImagineQ values. They also provide meaningful opportunities for local engagement and financial sustainability for those called to grow with us.

Your Weekly Rhythm (Suggested)

- Host a local gathering or conversation
- Share a post or video from your community
- Connect with another leader for encouragement
- Ask Einstein / Noel's Pen to help plan your week
- Explore NuVoWay.ca or G3Golf.ca with potential local champions
- Take time for prayer, presence, and purpose

A Note from Ross

You are not alone. You are part of a living network of hope — each community a spark. As you show up with heart and faith, you're helping light the way forward for thousands.

Let's make this dream a reality, together. One soul, one neighbourhood, one day at a time.
