

Resto Depot Musicians and Planned Hours

Please read the attached letter: [Resto Depot](#). It is my plan to do everything necessary to enable the diner to operate at least 6 days/week in the hours outlined - and to find local talent who will donate of their time and abilities to entertain the diners.

Tasha Lackman, the Executive Director of The Depot, has estimated that it costs in the neighbourhood of \$100,000/year for every day of operation of the Resto Depot. At present they are operating 3 days/week. This means we need to raise \$400,000 in order to offer services 7 days/week, near - 365 days/year. This means the daily cost is approximately \$2,000 over a 50 week schedule. With a fee of \$2.50/diner and an expected 200 diners/day, this means we have to raise \$1,500/day or \$75,000/day of service.

I am speaking with Jean Sebastien Patrice of MultiCaf as to how his organization can serve great meat meals 6 days/week charging \$2.50/meal.
